

1. K-LOVE serves me as a resident of the local community. It is the only contemporary Christian music and clean fun family radio listening in my home area.
2. The Local community currently has no equal or similar station if K-LOVE were to be displaced by an LPFM broadcaster providing other programming.
3. The service provided by K-LOVE is in the public interest because it provides G rated family music and reports on local activities of churchs and concerts and charity work. It is a positive and clean voice & music in a sea of negatives and sexually explicit material.
